

University of Minnesota Supercomputing Institute for Digital Simulation and Advanced Computation

Add Resource Form

The principal investigator (PI) can use this form to add a new resource for an already registered group member. Access to the supercomputers requires an SU grant. PIs who do not have current SU allocations but who would like access to the supercomputers should fill out Sections A and B of the account renewal form.

The PI should provide the following information either by completing and signing this form or by sending email to accounts@msi.umn.edu. Please note that forms submitted electronically must be sent from the email account of the PI. Email from the email account of the PI is accepted as a substitute for a signed original.

Principal Investigator:

Name _____

Group Member Receiving New Resources:

Name _____

Email address _____

Phone _____

MSI resources for which access is requested:

- Basic Sciences Computing Laboratory
- Biomedical Modeling, Simulation, and Design Laboratory (formerly the VWL)
- Computational Genetics Laboratory
- Scientific Data Management Laboratory
- Scientific Development and Visualization Laboratory

- IBM BladeCenter Linux Cluster (requires an SU grant)
- IBM Netfinity Linux Cluster (requires an SU grant)
- IBM Power4 (Regatta) (requires an SU grant)
- SGI Altix 3700 BX2 shared-memory system (requires an SU grant)
- Calhoun (SGI XE 1300 Linux Cluster) (requires an SU grant)
